## TRAVEL PARTY

PIPELINE PUNCH are 3 people

## BAND

Felix Martl – Woods, Trumpet, Keyboards

Fabio Schurischuster - Guitar, Bass, Keyboards

Roland Hanslmeier - Drums

## ACCESS AND TIME

Pipeline Punch usually need **1.5 hours for load in, set up and soundcheck** and will need at least **15 minutes for changeover** at festivals.

## TECH. REQUIREMENTS

### **PA**

A PA system that is powerful enough to provide sub bass and undistorted sound all across the venue.

### **FOH**

One engineer in charge of audio and lighting, present at both soundcheck and the show to mix the performance.

### **MONITORING**

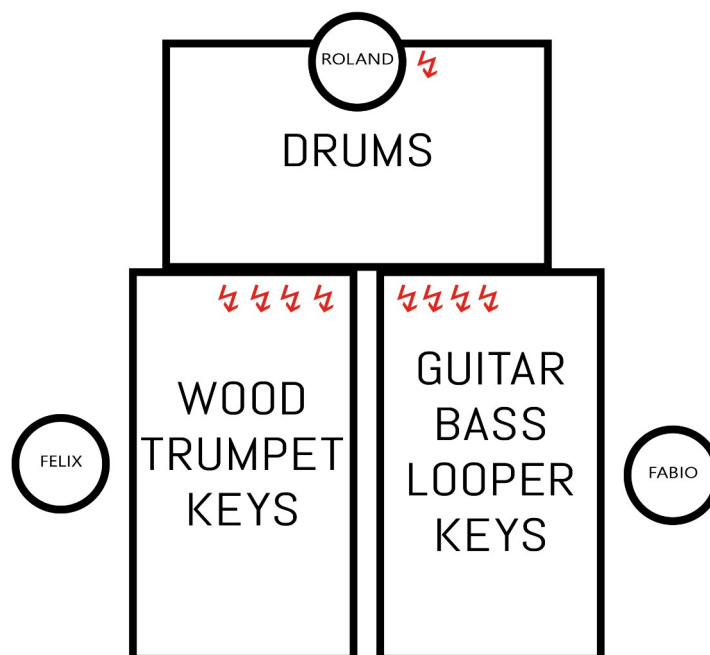

We bring our own mixer for in-ears. You can take an AES50 split from our stagebox or an analog XLR split (already gain-set and phantom-powered).
